# MOHAMAD ANWAR MERI

## SOFTWARE TECHNOLOGY ENGINEERING STUDENT AT DTU

## PROFILE

I am an engaged and motivated student in software engineering with strong technical skills and a passion for both mobile and web development. Through my education, I have acquired extensive knowledge of various programming languages, software development methodologies, and tools, making me well-suited to contribute effectively in a professional environment.

As a student, I am seeking a part-time job where I can apply my technical skills and knowledge in a practical setting. I aim to contribute to exciting projects and gain valuable work experience that will complement my education and prepare me for a future career in software development.

## WORK EXPERIENCE

### 7-Eleven

#### Sales Assistant

Valby, Denmark

12/2023 - Present

- Responsible of the store, when the boss is not around
- Handled a different tasks, including selling, stocking up the store, preparing food and counting the cash register at the end of my shift.
- In addition, I am always ready to help customers, as providing excellent customer service is one of the most important aspects in business and retail.

### 7-Eleven

#### Sales Assistant

CPH, Denmark

07/2018 - 11/2023

- Handled a different tasks, including selling, stocking up the store, preparing food and counting the cash register at the end of my shift.
- In addition, I am always ready to help customers, as providing excellent customer service is one of the most important aspects in business and retail.

### Viarca

#### Marketing Intern

Malaga, Spain

11/2019 - 12/2019

The company has more than 30 years of experience of creation of custom stained glass.

- Worked on a development project for the Spanish company called Viarca with a group of 5 persons from different countries, 2 of them from Holland, 1 from Spain and 1 from Finland. The project was based on the fact that Viarca wanted more customers into the company. Worked on economic analysis of the company. Worked on marketing-analysis for the company on social media.
- Developed promotional announcement cards for Viarca, detailing product descriptions and pricing, distributed to major stores for advertising purposes
- Presented the final solution to the company's owner, and for other groups and companies
